Sponsor Invitation

The 2016 Minnesota Dairy Health Conference is an annual, world-class continuing education opportunity for people in the dairy industry. It provides participants with the latest developments in dairy production science, health, management, and food quality.

Your organization’s financial support is needed to help achieve the goals of this conference. Your financial contribution will be very much appreciated.

Sponsorship Levels and Benefits (expected attendance: 200+):

All sponsors will receive:
- Recognition at the conference opening both days
- Acknowledgement in print at all meals and breaks
- Website recognition
- Listed in the conference proceedings
- Listed in the marketing messages
- Acknowledgement in printed program booklet.

Platinum: $7,500
- Qualifies as potential social event sponsor
- Exhibit booth
- 4 registrations to the main conference
- All benefits listed above
